Parcels known to contain a prohibited article, or parcel intended for delivery at an address other than that borne on the parcel itself, are liable to be refused.

Parcels addressed to a Post Office to be called for are kept two weeks, at the end of which period, if not called for, they will be returned to the sender, if his name and address are given on the parcel.

Broken amounts, but not fractions of a penny, may be made up by the use of British postage stamps, not exceeding two in number or five-pence in value, affixed to the face of any one Postal Order, except when the Order is payable in Canada.

The person to whom a Postal Order is issued *must*, before parting with it, fill in the name of the person to whom the amount is to be paid, and is recommended to fill in the name of the Post Office at which the amount is to be paid. The person so named must, before payment can be made, sign the receipt at the foot of the Order, and must also fill in the name of the Office of Payment, if that has not been already done.

Every person to whom a Postal Order is issued should tear off and retain the counterfoil. Its production will facilitate inquiry if the Order should be lost.

INLAND CASH ON DELIVERY SERVICE.

Under this system the Postmaster-General undertakes on certain conditions to collect from the addressee the value of an article delivered either by parcel post or by registered letter post (but not by ordinary letter post), and to remit it to the sender by means of a special Order. By arrangement with the Railway Companies the service is applicable also, within certain limits, to consignments sent by rail.

The C.O.D. fees, which are additional to the ordinary postage, vary according to the Trade Charge (*i.e.* the amount to be collected), and are fixed on the following scale:—

Trade Charge not exceeding 10/-	Fee	4d.
Do. £1	„	6d.
Do. £2	„	8d.
Do. £5	„	10d.
Do. £10	„	1/-

and 2d. for each additional £5 or fraction of £5 up to a maximum of £40.

Full particulars of the service, which does not apply to postal packets to or from the Irish Free State, may be obtained at any Money Order Office.

POST OFFICE SAVINGS BANKS.

These banks are established under the provisions of the Act 24 Vict., cap. 14, intituled, "*An Act to grant additional facilities for depositing small Savings at interest, with the Security of the Government for the due Repayment thereof,*" and are open daily during the hours appointed for Money Order business for the receipt of deposits of one shilling, or any number of shillings up to an aggregate of £500 in any year. There is no limit, however, to the amount which may stand to the credit of an account.

Deposits are received of any sums not less than a shilling, and when the deposit reaches £1, interest at the rate of 6d. a year on each pound deposited is given.

Any sum not exceeding £2 can be withdrawn without notice at any Post Office Savings Bank transacting Savings Bank business.

NATIONAL SAVINGS CERTIFICATES.

National Savings Certificates (formerly known as War Savings Certificates) may be purchased at most Post Offices. The purchase price is 16s. for each Certificate, which is repayable at any time on application together with any interest which has accrued. A single Certificate becomes worth £1 at the end of six years, and £1 4s. at the end of ten years.

For further particulars apply at a Post Office.

PURCHASE OF GOVERNMENT STOCKS.

Any depositor in the Post Office Savings Bank may invest a sum in Government Stocks at the current price of the day, and may sell at the same. The commission for buying or selling is, not exceeding £10, 1s.; exceeding £10 and not exceeding £25, 1s. 6d.; exceeding £25 and not exceeding £50, 2s. 6d.; exceeding £50 and not exceeding £75, 3s. 6d.; exceeding £75 and not exceeding £100, 4s. 6d.; with a further charge of 1s. in respect of every £50 or part of £50 above £100.

GOVERNMENT INSURANCES AND ANNUITIES.

Life insurance for any amount not less than £5 or more than £100 may be effected by any person not over the age of 65 years and not under the age of 14 years; or, if the amount does not exceed £5, not under the age of 8 years. Immediate or Deferred Annuities are granted for any amount not less than £1 or more than £100 to any person not under the age of 5 years. The persons whose lives are insured, or to whom Annuities are granted by the Postmaster-General have direct Government security for the payment of the money at the proper time.

Forms of proposal for the insurance of lives and the purchase of Annuities, and information as to filling them up, may be obtained at any Post Office Savings Bank.

Post Office Telegraphs.

INLAND TARIFF.

The charge for Telegrams throughout the United Kingdom is 1s. for the first 12 words, and 1d. for each additional word. Addresses are charged for.

A Telegram can be repeated back from Office to Office throughout the course of transmission if the Sender desires to adopt this precaution against error. The charge for repetition (which must be paid when the Telegram is handed in) is one-half the charge for transmission. If containing mercantile quotations or code words a Telegram ought always to be repeated. If the addressee of a Telegram doubts its accuracy he may have it repeated by paying half the amount paid for its transmission to him. The repetition charges will be refunded if it should turn out that the original telegram was incorrectly transmitted.

The cost of a reply not exceeding forty-eight words may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of fourpence per copy beyond the first. Each London Postal District is regarded for this purpose as forming a separate delivery.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of division, thus— $\frac{1}{2}$ counts as one word, and $109\frac{1}{2}$ as two.

All Telegrams for delivery at addresses within three miles of the office of delivery, or within the town postal delivery in the case of a Head Post Office, are delivered free. The charge for delivery of a telegram at any address beyond the limits of free delivery is at the rate of 6d. for each mile, reckoned from the boundary of the free delivery, any fraction of a mile being reckoned as a mile.

NIGHT TELEGRAPH LETTERS.

Telegraph Letters are now accepted up to 12 midnight at the Head Office to obtain delivery the following morning in towns which have an all-night telegraph service. They may also be posted within the town area, but should be posted so as to reach the Head Office by midnight. The rate is 1s. for 36 words or less, and 1d. for every three words beyond 36.

REGISTERED ADDRESSES.

Any person may register an abbreviated or arbitrary address on payment of a fee of £2 a year, dated from the day of registration. The address must consist of two words, one of which is to be the town or place of delivery.

DELIVERY BY TELEPHONE.

In most cases subscribers to exchanges may arrange to have their telegrams delivered by telephone instead of messenger without further charge.

If YOU installed the Dictograph Telephone : System :

YOU could Telephone with both hands free—no *mouthpiece or earpiece* to bother with—could rely on never being “cut off” or interrupted by someone “butting-in”—could get through immediately—no waiting while the operator connected you—could be sure that ‘phone conversations with your Managers or Heads of Departments were not over-heard—could avoid being “tied to the telephone” while waiting for a reply—could never be troubled by your number being engaged—could obtain “inside information” from any department instantly whilst speaking on the outside ‘phone—could hold a telephone conference at a moment’s notice with your staff—could issue instructions to one, two, or more of your staff simultaneously—could indicate when you were calling your Departments as distinct from an ordinary call—could see who was calling you before answering your ‘phone—could dictate letters to your typist without calling her into your office—could rely on your staff communicating instantly with one another—could be sure of a continuous and reliable internal telephone service, backed up by efficient maintenance service.

THEREFORE

THE DICTOGRAPH TELEPHONE SYSTEM

should be necessary in *YOUR* organization.

ABERDEEN GRAMMAR SCHOOL

(Founded previous to 1256).

RECTOR—

DAVID M. ANDREW, M.A. (*Aberd.*).

THE GRAMMAR SCHOOL provides for boys a complete course of study, both Elementary and Secondary, Classical and Modern.

The ancient traditions of the School as a Classical School and feeder of the University are preserved, while boys destined for Commercial pursuits receive thorough training in subjects likely to be of special use to them.

The School contains excellent Laboratories (Chemical, Physical and Natural Science), Art Room, Workshop, Botanical Garden, Gymnasium, Library and Reading-room. The Lower School receives boys of the Infant stage and upwards to Standard V., inclusive. The Modern School is well equipped for the teaching of Science and Art and Manual (Wood and Metal work). Pupils are prepared for the Leaving Certificate issued by the Scottish Education Department, and for the Entrance Examinations of the Universities, etc. Promotions are made at the discretion of the Rector, advised by the Masters. Terminal Reports are issued to parents. Physical Training in Drill and Gymnastics is given by competent Instructors. The situation of the School is open and healthy, within ten minutes of the Railway Station. There is a Cricket and Football field, and there are separate playgrounds for the Senior, Lower and Preparatory Departments. The School is one of the Public Secondary Schools of Scotland, and is under the management of the Aberdeen Education Authority.

Information as to Fees, Scholarships, Courses of Study, etc., is given in the School Prospectus, which may be had free on application to the Director of Education, Education Offices, Union Terrace; or to the Rector.
